

Dear Parents,

Mashrek's Model United Nations (MMUN'26) aspires to raise global citizens who are aware and engaged in global issues both at a local and international level. The vision of this year's MMUN is to empower students to become leaders who positively affect the world, while fostering their debating, diplomacy, and negotiation skills. Our world is becoming increasingly interdependent and connected, and we aim to equip our students with the necessary skills and attributes that would help them understand and think critically about the various political, economic, social, cultural, and environmental concerns that the globe faces.

By participating in MMUN'26, students will deepen their understanding of how the international community operates, the way in which the UN functions, and how global relations are shaped in the 21st century. Delegates will develop their communication skills, as well as their ability to debate and solve real-world problems in order to define their position as global citizens.

We are delighted to announce that this year's Mashrek Model United Nations theme is:

Narratives of Power: Weaving a Shared Future

Additionally, this year's conference will be held at the Mashrek International School Campus and Ritz Carlton Amman, spanning three days from November 19th -21st 2026, commencing with the lobbying and merging held in the school for the First day, and the Second + Third Day of Debate sessions held at the hotel, ending it with a closing ceremony on the third day.

Mashrek International School strongly encourages all students to participate in the MMUN'26 Conference, as it promises a unique and highly valuable experience, both on a personal and educational level. **Please note that the last day for registration will be on the 20th of October 2026.**

The conference participation fee per student is 140 JODs. Registration is strictly through the Mashrek Application.

We look forward to your involvement at the MMUN'26 and strive to provide all students with an alluring yet distinctive MUN experience!

Best regards,

Zaid Abu Dakka, Secretary General

Sima Abu Taleb, Deputy Secretary General
